

ACCREDITED TRAINING 培训与资格认证服务

Give your business a competitive edge with an AQTF 2010 accredited training program through Mint.

Mint Training is a nationally Recognised Training Organisation delivering AQTF accredited programs throughout the Asia Pacific Region and across multiple industry sectors.

Our onsite training programs are fully customised to the needs of the workplace to maximise productivity, increase retention and provide formal pathways and career progression.

We have the AQTF systems and processes, international resources and proven industry experience to deliver a fully integrated accredited training program that will add value to your bottom line.

What Mint Group do better than anybody else?

1. **Accredit your people to train or deliver themselves**
 - Map your internal training to accredited training programs
 - Establish internal AQTF compliant systems and processes
 - Validate and accredit your work practices
2. **Create consistent and enhanced customer experiences**
3. **Establish internal career pathways and progression**
4. **Provide real time reporting on individual and business performance**
