

Mint Group provides your business with trained, accredited and cost effective job ready people for your frontline needs.

Mint group's Job Ready People provides your organisation with a regular and flexible pool of people that are specifically trained to the skills and customer needs of your business.

We attract and retain better quality people as we recruit for attitude and train for skill, provide our job ready people with accredited training and provide them career progression within your business.

Our Job Ready People systems and processes result in no hassle, less liability and no worries as we manage the burdens.

## What Mint Group do better than anybody else?

1. **No hassle and less liability**
  - Mint Group recruits, train, inducts, coordinates and performance manages the whole process
2. **One workforce**
  - Mint Group's job ready people are fully integrated into your business through onsite induction, training and familiarisation in your service standards
3. **Flexibility in your labour pool**
  - We give you control over supply
  - You can have as much or as little control over the staff as you like!
4. **Cost effective**
  - Job ready
  - Inducted and Trained
  - Performance managed
